

HISTORY 426

This is a list of many important names, terms, and events. Although long, it is not totally comprehensive or exhaustive. There may be items in the readings or lectures that are not found here. Still, if you have a basic understanding of these entries and can write three to five meaningful sentences about each, you should be in excellent shape for the same IDs and should have a sound basis for answering all exam questions.

Shinto
Ise
kami
Amaterasu (Sun Goddess)
