

1. Online Home Work: Register for MasteringChemistry

These instructions are accurate at time of printing. Your experience may vary slightly.

Go to www.masteringchemistry.com and click **New Students** under Register.

- To register using the Student Access Code located inside the MasteringChemistry Student Access Kit you purchased for the WVU Bookstore or Book Exchange, click **Yes, I have an access code**. –OR–
- **Purchase access online:** Click **No, I need to purchase access online now** and follow the on-screen instructions to purchase access using a credit card or other method. (The purchase path includes registration, but the process differs from the steps here.) Choose the McMurray/Fay, Chemistry 5e textbook.

License Agreement and Privacy Policy

- Click **I Accept** to indicate that you have read and agree to both the license agreement and privacy policy.

Do you have a Pearson Education account?

- *No* - You will be asked to specify a Login Name and Password, and then to confirm your password by retyping it.

- *Yes* – **Only for students who have used Pearson online homework for previous courses.** Enter your established Login Name and Password, even if your access to another Pearson Education website has expired. If you provide this, you may be asked to create a more secure password later.
- *Not Sure* - Enter the email address associated with your Pearson Education student account and click **Search**.

Access Code

- Type your six-part student access code, one part in each box. Don't type the dashes. *Once you register for this site, you will not need this access code any longer.*

Personal Information and Security Information

- Enter your first and last name (as listed on your instructor's enrollment, no nicknames), as well as a valid email address that you check regularly (your WVU mix account is preferred). *Your registration confirmation will be sent to the email address you provide.*
- Enter the requested information to help identify your school location.
- Select a security question and enter the answer. *This question is used in the event that you contact us and your identity must be confirmed.*

Click **Next** (only once!) to submit your registration for processing, which takes just a few moments.

Confirmation & Summary

A confirmation page informs you of the site(s) you have access to and that you will be receiving a confirmation email. *The confirmation email contains your login name and password for your reference. Your subscription to MasteringChemistry is good for 24 months from the time you first register.*

2. Log in to MasteringChemistry

Log in to MasteringChemistry as follows:

- *If you are continuing from the Confirmation & Summary page (from last step in previous section):* Click **Log In Now**.
- *If you have left the Confirmation & Summary page, you can log in later:* Go to www.masteringchemistry.com, enter your login name and password, and then click **Log In**.

(over)

3. Enroll in your instructor's MasteringChemistry course (provide Course ID)

You will be using MasteringChemistry for homework assignments worth 10% of your overall grade. Therefore, it is very important that you enroll in the correct section of MasteringChemistry using the proper Course ID. The Course ID for Dr. Babb's Chem 116 TR lectures are...

Section 001 (TR 1 PM): WVUChem116001F09

Section 003 (TR 8:30 AM): WVUChem116003F09

Join Course

- Enter your WVU **Student ID** (your 700#). Look up your number via STAR if you're unsure. Enter your instructor **Course ID**: WVUChem116001F09 or WVUChem116003F09
The Course ID field is not case-sensitive, so you can enter either lowercase or uppercase characters. Make sure you type in the exact Course ID so that you enroll in the correct online course. If you get an error message, please contact your instructor.
- Click **Save and OK** to view your MasteringChemistry course home page, welcoming you to the online course (check to insure you see the correct professor and lecture time on the welcome page). The next time you log in, you will go directly to your home page for the course.

The screenshot shows a web form for enrolling in a course. It has two input fields: 'Student ID:' and 'Course ID:'. Below the 'Course ID:' field, there is a red text requirement: 'REQUIRED: please enter Course ID provided by instructor.' At the bottom left of the form is a 'Save' button.

- **To view your instructor's assignments:** Click **Assignment List** on the left.
- **To view self-study resources:** Click **Study Area** on the left.

4. Go to www.masteringchemistry.com for information on...
